**Provision of Health Services: Essential Packages of Health Services (EPHS) in  
Bong, Lofa and Nimba Counties**

**Reference No: “RFP No: MOH/FARA/QCBS/001/2018”**

## **REQUEST FOR EXPRESSION OF INTEREST**

---

The Government of the Republic of Liberia (GOL) through the Ministry of Health has received grant from the Government and People of the United States Agency for International Development (USAID) through its Fixed Amount Reimbursement Agreement (FARA). FARA is a USAID sponsored program designed to demonstrate its commitment by helping the people and government of Liberia through the funding of various activities including health related ones and the strengthening of systems and management.

Furthermore, the FARA support is meant to enhance the capacity of the three County (Lofa, Bong and Nimba) Health Teams to carry out the effective management, technical, Human Resource and Community outreach in an effort to roll out quality health delivery in those counties. The Ministry of Health intends to apply part of these grants to cover payments under the Contract for the Provision of Health Services: **“Comprehensive delivery of evidence-based Essential Package of Health Services (EPHS), including activities for the reduction of Maternal and Newborn mortality, supported by innovative Performance-Based Financing schemes as a health systems in line with its Annual Operational and Investment Plan in Bong, Lofa and Nimba Counties”, beginning July 1, 2018.**

To implement these services, the Ministry of Health (MOH) through the Procurement Unit now invites interested and qualified non-governmental, faith-based and other civil society organizations with proven records and backgrounds of providing healthcare in post conflict Countries, especially those with long-standing record of effective implementation of health services in Liberia for a Performance-Based Contract to indicate their interest in support of the Essential Package of Health Services and the roadmap for acceleration of the reduction of maternal and newborn mortality rates.

### **The facilities for implementation are described as follow:**

Lot #1 - Bong County –Two (2) Hospitals & Nine (9) Clinics

Lot #2 - Lofa County – Five (5) Health Centers & Thirty Five (35) Clinics

Lot #3 - Nimba County – Three (3) Health Centers & Thirty Six (36) Clinics

Note: Interested consultants should indicate their interest in support of the Essential Package of Health Services for one lot or contract each or the entire contracts and must express interest for all the facilities within each lot. No entity will be allowed to submit proposal for two lots but must quote for all of the facilities in each lot.

Selection for contract award shall be in accordance with **Quality Cost Based Selection (CQBS) procedures specified in the Public Procurement and Concession Act of 2010, of the Republic of Liberia.**

The documentations to be provided will include, but are not limited to:

- a. Copy of the firm's Core Business
- b. Experience in providing essential health services/assignment as required and interested firms should be registered with PPCC (applicable to domestic own businesses).
