

AU makes donation to the Ministry of Health valued over \$100USD

Monrovia, Liberia, April 2, 2018- The African Union (AU) Commission has donated several office furniture and equipment valued over \$100.00USD to the Ministry of Health. The AU Commission made the donation on Monday, April 2, 2018 in Monrovia.

Speaking at the donation of the furniture and equipment, the Special Representative of the Chairperson of the AU to Liberia, Ambassador Ibrahim M. Kamara, said the gesture was as a result of a mandate from the headquarters of the AU in Addis Ababa, Ethiopia.

We received confirmation that we have this furniture and other equipment handed over to the Ministry of Health. This donation values over One Hundred Thousand United States Dollar”, said Amb. Kamara.

Receiving the furniture and equipment, Health Minister, Dr. Wilhemina S. Jallah lauded the AU through its Commission for the gesture.

“On behalf of the Ministry of Health and the Government of Liberia, we say thanks.

It could have gone elsewhere, but you choose us to benefit”, the Minister lauded AU.

She assured that the materials will be used the intended purpose. “ What I can surely promise is that we will make sure that these materials are sent to various health centers in the country, especially those ones are in dire need of them”, she further assured.

Please convey our thanks and appreciation for the donation. Once again, thanks ever so much for your timely intervention”, the Health Minister, among other things, added.
